In the Matter of 2020 Biennial Integrated Resource Plan Reports and Related 2020 REPS Compliance Plans by Duke Energy Carolinas and by Duke Energy Progress	)))))	ORDER CHANGING TECHNICAL CONFERENCE TO BE HELD REMOTELY AND REQUIRING FILING OF INFORMATION AND DOCUMENTS

BY THE PRESIDING COMMISSIONER: On August 24, 2021, the Commission issued an Order Scheduling Technical Conference and Denying Motion for Evidentiary Hearing (Technical Conference Order), in the above-captioned docket. The Technical Conference Order, among other things, scheduled an in-person technical conference for September 30 and October 1, 2021, identified three main topics to be discussed, and designated several parties as presenters of information.

Based on recent developments surrounding the COVID pandemic the Presiding Commissioner finds good cause to change the technical conference from an in-person conference to a remotely held conference, and to require that all participants prefile certain information and documents, as specified below.

IT IS, THEREFORE, ORDERED as follows:

1. That the technical conference shall be conducted remotely via Webex on the dates and at the time stated in the Technical Conference Order;

2. That on or before September 21, 2021, the attorneys for the parties shall provide the name, phone number, and email address of each person to be invited to the technical conference as a presenter, attendee, or attorney. This information shall be sent to the Commission via email at ncucwebex@ncuc.net; and

3. That on or before September 23, 2021, the attorneys for the presenters shall file in this docket all written and audio visual materials to be used by the party's presenters at the technical conference by sending same to ncucexhibits@ncuc.net.

ISSUED BY ORDER OF THE COMMISSION.

This the 15th day of September, 2021.
