Subject: [EXTERNAL] Duke Energy Carolinas PowerShare Generator NOTIFICATION TO CURTAIL LOAD
Date: Friday, December 23, 2022 9:33:06 PM

This EXTERNAL email is originating from a third-party provider that conducts business on behalf of Duke Energy. Please continue to be vigilant when handling email.

This is your official notification that Duke Energy Carolinas is initiating a PowerShare Generator Event on Saturday, 12/24/2022, due to the effects of unseasonably low temperatures on system conditions.

The Generator Event will begin at 4:00 AM and is scheduled to end at 10:00 AM.

You should CURTAIL LOAD in accordance with your PowerShare contract during the event. Failure to comply with this Generator Event will result in a penalty.

For additional information, contact your Duke Energy Carolinas Account Executive or call 1-800-723-9678 to speak to a Customer Account Services representative.
