**Question No. 2-19:**

- a. Please provide a complete copy of Gas Turbine World 2013 GTW Handbook, including the pages that have not yet been provided to NCSEA or Public Staff.
- b. If you object to providing a complete copy please explain the basis for your objection, and identify and provide a copy of the table of contents to the Gas Turbine World 2013 GTW Handbook.
- c. If you object to providing a complete copy, please provide all pages within the Gas Turbine World 2013 GTW Handbook that contain information related to Combustion Turbines.
- d. If you object to providing a complete copy, please identify and provide all pages within the Gas Turbine World 2013 GTW Handbook that contain information that help the reader understand the methodology GTW used in developing its \$ per kW cost estimates.
- e. If you object to providing a complete copy, please identify and provide all pages within the Gas Turbine World 2013 GTW Handbook that contain cost estimates for Combined Cycle units, and explain whether you believe these estimates can be compared to cost estimates for Combustion Turbines.

**Response:**

The Company objects to providing a complete photocopy of the Gas Turbine World 2013 GTW Handbook on the basis of copyright concerns. The complete copy of Gas Turbine World 2013

GTW Handbook is available for public purchase. A table of contents for the complete copy can be found on the Gas Turbine World website at:  
[http://www.gasturbineworld.com/assets/2013\\_gtw-hbk\\_tofc.pdf](http://www.gasturbineworld.com/assets/2013_gtw-hbk_tofc.pdf).

Notwithstanding the objection, see Attachment Public Staff 4-12, for the portion of the Gas Turbine World 2013 GTW Handbook that was relied upon by the Company for its March 2, 2015 filing.
