Re: Aqua North Carolina, Inc. - Motion for Extension of Time to File Proposal and Procedure for Bill Credits in the Event Customers Flush Lines at Aqua's Request for Purposes of Addressing Water Quality.
Docket No. W-218 Sub 497 & 497A (Aqua 2018 Rate Case & Reporting Docket)

Dear Ms. Jarvis:

Attached please find the referenced Motion filed by Aqua today, which requests an Extension of Time until June 14, 2019 to make a joint filing with the Public Staff reporting on policies and procedures to address bill credits, in the event flushing of lines is requested of customers by Aqua to support improved water quality. I am authorized to report that the parties to the rate case---including the Attorney General, the Public Staff, and Mr. Eric Galamb---do not oppose the request.

As always, thank you and your staff for your assistance; please feel free to contact me if there are any questions or suggestions.

Sincerely,

Electronically Submitted
