RE: Docket No. EGL-1, Sub 0

Dear Ms. Jarvis:

On May 11, 2018, Eagle Solar & Light (Applicant), filed an Application for Certificate of Authority to engage in business as an electric generator lessor in the above-referenced docket. The Public Staff has sought additional information to complete the Application on two subsequent dates. The Applicant has responded to each of the Public Staff's requests, including most recently its application filed with the Commission on August 27, 2018. On August 30, 2018, Eagle Solar & Light also filed its certificate of service, stating that the offering utilities, Duke Energy Carolinas, LLC and Duke Energy Progress, LLC, were properly served with a copy of the August 27, 2018 application.

Based on the Application filed on August 27, 2018 and the certificate of service filed on August 30, 2018, the Public Staff recommends that the Application for a Certificate of Authority to engage in business as an electric generator lessor be deemed complete and approved.

Sincerely,

Electronically submitted
