Subject: RE: [External] Water increase

Mr. Davis

Thank you for inquiry concerning Carolina Water Service, Inc. of North Carolina's (CWSNC) application for a rate increase.

The Public Staff files pre-file testimony September 26, 2018. I would suggest you submit any position letters prior to the date we file. However, you can file a position letters up to the evidential hearing October 8, 2018.

You can file your statement with me. I am the point of contact.

If there is any change to the hearing date, time and/or location, you would receive another notice in the mail from CWSNC.

Sincerely

Gina

CWSNC and members of this meeting,

I absolutely disagree with yet another increase in the base rate of our water bill. I already pay what I consider an exorbitant amount for the small usage my wife and I typically have. I could almost understand a need to increase based on usage, but not simply to pad a profit margin regardless of usage. This is manipulative and uncalled for. Our rates are already high and we're just raised this past year. I am an active duty military man and cannot attend the meeting due to my absence for duty so I fear my voice will not be heard. Please feel free to call me for additional thoughts.

Sincerely

Bob Davis
