N.C.G.S. § 62-155(f) )	

BY THE CHAIR: On November 6, 2020, the Commission issued an order in the above-captioned docket that, among other things, allowed all parties, to file, on or before December 1, 2020, initial comments addressing appropriate modifications to the current incentive amounts as directed by this Order, including a tiered rebate program.

On November 20, 2020, the North Carolina Sustainable Energy Association (NCSEA), filed a motion requesting a three-day extension of time to file initial comments. In summary, NCSEA stated that due to the press of other business and the Thanksgiving holiday have combined to result in a need for additional time to communicate with NCSEA's members on their needs and to finalize NCSEA's initial comments. Counsel for NCSEA has contacted counsel for all other parties of record, and none oppose the extension.

Based on NCSEA's motion and the record, the Chair finds good cause to extend to December 4, 2020, the date for all interested parties to file initial comments.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 23rd day of November, 2020.
