

DOCKET NO. G-100, SUB 90

In the Matter of  
Amendments to Commission Rule R6-2(k)(1) ) ORDER AMENDING RULES  
and Rule R6-19.2(e) )

Because Rule R6-31 was repealed by Order entered in Docket No. G-100, Sub 34 on October 5, 1977, the reference to that Rule contained in Rule R6-2(k)(1) should be deleted. Rule R6-2(k)(1), as so amended, will now read as follows:

(1) Where gas is supplied and metered to customers at the pressure normally used for domestic customers' appliances, a cubic foot of gas shall be that quantity of gas which, at the temperature and pressure existing in the meter, occupies one cubic foot.

(e) For end users on the municipal gas systems served by Piedmont Natural Gas Company, Inc. (Piedmont), curtailment shall be on the basis of the combined margin they pay to the City and Piedmont (i.e., the rate the end user is paying to the City behind Piedmont's system rather than the rate the City is paying to Piedmont governs those customers' curtailment priority).

These amendments to Rules R6-2(k)(1) and R6-19.2(e) shall be effective as of the date of this Order.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 29<sup>th</sup> day of April, 2011.

NORTH CAROLINA UTILITIES COMMISSION

A handwritten signature in black ink that reads "Gail L. Mount". The signature is written in a cursive, flowing style.

Gail L. Mount, Deputy Clerk
