Duke Energy Progress, LLC, ("DEP") and Duke Energy Carolinas, LLC ("DEC") (collectively "Duke Energy" or "Companies"), pursuant to N.C. Gen. Stat. § 62-155(f), the North Carolina Utilities Commission's ("Commission") April 3, 2018 *Order Modifying And Approving Riders Implementing Solar Rebate Program*, and the Commission's November 6, 2020 *Order Modifying Fourth Year of Solar Rebate Program and requesting Additional Comments*, hereby notify the Commission that the 2021 participation caps for residential customers and non-residential customers have been met for both DEP and DEC for the first capacity window of 2021. The participation limit for first window of 2021 has not been reached for non-profit customers in DEC and DEP.

NOTIFICATION OF PARTICIPATION LIMITS BEING REACHED

As directed by the Commission in its April 3, 2018 Order, Duke Energy hereby notifies the Commission that the participation limits for residential customers and non-residential customers have been reached for both DEC and DEP for the first capacity window of 2021, and the Companies' websites have been updated accordingly. These limits were reached quickly after the enrollment window opened on January 6, 2021. A

snapshot of the website informing the public of the rebate limits being reached is shown as Appendix A.

Applications for residential and non-residential customers will continue to be placed on DEC and DEP waitlists in the event previously accepted applications are rejected. The Companies are continuing to accept applications for DEP and DEC non-profit customers, and the Companies will, in accordance with the Commission's April 3, 2018 Order, notify the Commission and update its website when the participation limit for non-profit customers is reached. As authorized by the Commission's November 6, 2020 Order, the application period for the remaining half of the total annual capacity for 2021 will open on Wednesday, July 7, 2021.

Respectfully submitted this 8th day of January, 2021.
