DOCKET NO. E-2, SUB 1252

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of
Application of Duke Energy Progress, LLC, for)
Approval of Demand-Side Management and)
Energy Efficiency Cost Recovery Rider)
Pursuant to N.C.G.S. § 62-133.9 and)
Commission Rule R8-69)
ORDER ACCEPTING INTO
EVIDENCE CORRECTED
TESTIMONY OF WITNESS
FOREST BRADLEY-WRIGHT

BY THE PRESIDING COMMISSIONER: On September 14, 2020, the Commission issued an Order Excusing Expert Witnesses, Accepting Testimony and Exhibits, and Canceling Expert Witness Hearing (Hearing Order), in the above-captioned docket involving the application of Duke Energy Progress, LLC (DEP), for recovery of DEP's costs of demand-side management and energy efficiency programs. The Hearing Order, among other things, accepted the parties' expert witness testimony, canceled the expert witness hearing, and required the filing of proposed orders on or before October 16, 2020.

On October 16, 2020, North Carolina Justice Center, North Carolina Housing Coalition, and Southern Alliance for Clean Energy (collectively, NCJC, *et al.*), filed a motion requesting leave to file corrected pages of testimony in order to correct exhibit references in the pre-filed testimony of witness Forest Bradley-Wright. In summary, NCJC, *et al.*, explained that the pe-filed testimony of witness Bradley-Wright contained errors in the labeling of certain exhibits. In addition, NCJC, *et al.*, attached to its motion a corrected exhibit list and the corrected pages of witness Bradley-Wright's testimony. Finally, NCJC, *et al.*, stated that DEP, the Public Staff, and all other intervening parties have stated that they have no objection to the relief sought in its motion.

Based on NCJC, *et al.*'s motion and the record, the Presiding Commissioner finds good cause to accept into evidence the corrected exhibit list and corrected pages of testimony of witness Bradley-Wright.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 16th day of October, 2020.
