**Re: Docket No. E-100, Sub 165
2021 Integrated Resource Plan Update Filing**

Dear Ms. Dunston:

Pursuant to §§ 62-2 and 62-110.1 of the North Carolina General Statutes and Rule R8-60(h)(1) of the Rules and Regulations of the North Carolina Utilities Commission (the “Commission”), Virginia Electric and Power Company, d/b/a Dominion Energy North Carolina (“DENC” or the “Company”), encloses for electronic filing with the Commission the Confidential pages of its 2021 Integrated Resource Plan Update (the “2021 Plan Update”).

Portions of this 2021 Plan Update, consisting of the Confidential pages of the 2021 REPS Compliance Plan, contain confidential information, are designated by DENC as confidential, and qualify as “trade secret” under N.C.G.S. § 66-152(3). Pursuant to N.C.G.S. § 132-1.2, DENC is filing these pages separate from the Public filing and under seal. The Company respectfully requests that the Commission treat the information in this filing as confidential filed under seal and protect it from public disclosure pursuant to N.C. Gen. Stat. § 132-1.2 and Rule 8-60(h)(5).

Therefore, please find enclosed for electronic filing the Confidential pages of the 2021 Plan Update. Please do not hesitate to contact me if you have any questions. Thank you for your assistance in this matter.

Very truly yours,

/s/Andrea R. Kells
