Re: Docket No.: E-100, Sub 113B

Dear Ms. Dunston:

I write on behalf of ElectriCities of North Carolina, Inc., North Carolina Municipal Power Agency Number 1 and North Carolina Eastern Municipal Power Agency (collectively hereinafter "Power Agencies"). While the Power Agencies are not subject to the Commission's jurisdiction, in order to assist the Commission in its efforts to comply with its obligation under Session Law 2023-58 to develop a list of all utility-scale solar projects operating within the State, the Power Agencies voluntarily provide the enclosed list of all operating utility-scale solar facilities interconnected to facilities owned by any of the Power Agencies' municipal members.

Please contact me if you or the Commission have any questions about this information.

With best regards, we remain

Sincerely yours,

BURNS, DAY & PRESNELL, P.A.
