

**Before the  
North Carolina Utilities Commission**  
**Docket No. G-9, Sub 771**

**Annual Review of Gas Costs Pursuant to G.S. 62-133.4(c) and  
Commission Rule R1-17(k)(6)**

**Testimony and Exhibits of MaryBeth Tomlinson  
On Behalf Of  
Piedmont Natural Gas Company, Inc.**

**July 31, 2020**

1 | Q. Please state your name and your business address.

2 A. My name is MaryBeth Tomlinson. My business address is 4720  
3 Piedmont Row Drive, Charlotte, North Carolina.

**4 Q. By whom and in what capacity are you employed?**

5 A. I am employed by Duke Energy as the Manager of Gas Accounting for  
6 Piedmont Natural Gas Company, Inc. (“Piedmont” or the Company”).

**7 | Q. Please describe your educational and professional background.**

8 A. I received a B.A. degree in Accounting from Belmont Abbey College in  
9 Belmont, NC in 1985. In 1985, I was employed by Hobbs, Crossley and  
10 Blacka P.A. as a staff accountant. In 1987, I was employed by ALLTEL  
11 Corporation as Manager of General Accounting. In 1995, I was employed  
12 by SeaLand Service Corporation as Manager of Vessel Accounting. In  
13 1999, I was employed by United States Ship Management, LLC (USSM)  
14 as Manager of General Accounting. In 2005, I was employed by HSBC  
15 Mortgage Corp. as Manager of Accounting. In 2007, I joined Piedmont  
16 as the Manager of Special Projects. In February 2008, I became the  
17 Manager of Corporate Accounting. In August 2012, I became the  
18 Manager of Plant Accounting and Accounts Payable. I accepted the  
19 position as the Manager of Gas Accounting in January 2015.

**Q. Please describe the scope of your present responsibilities.**

21 A. My responsibilities include: recording the cost of gas on Piedmont's  
22 books, maintaining a proper match of revenues and cost of gas in  
23 Piedmont's income statements, recording Piedmont's margin in

1           accordance with regulatory requirements in each of the three state  
2           jurisdictions in which Piedmont operates, verifying volumes and prices on  
3           all invoices relating to the purchase and transportation of natural gas, and  
4           recording gas inventory accounts and deferred accounts.

5   **Q. Have you previously testified before this Commission or any other  
6       regulatory authority?**

7   A. Yes. I have previously testified before this Commission as well as the  
8       Public Service Commission of South Carolina.

9   **Q. What is the purpose of your testimony in this proceeding?**

10   A. The purpose of my testimony in this docket is to provide the information  
11       required by Commission Rule R1-17(k)(6)(c) for the period June 1, 2019  
12       through May 31, 2020 (the “Review Period”). This information is  
13       reflected in the following schedules attached to my testimony, which are  
14       collectively designated as **Exhibit\_(MBT-1)**:

- 15           (1) Summary of cost of gas expense.
- 16           (2) Summary of demand and storage gas costs.
- 17           (3) Summary of commodity gas costs (\$).
- 18           (4) Summary of other cost of gas charges/(credits).
- 19           (5) Summary of demand and storage rate changes.
- 20           (6) Summary of demand and storage capacity level changes.
- 21           (7) Summary of demand and storage costs incurred versus  
22           collected.
- 23           (8) Summary of deferred account activity - sales.

(9) Summary of deferred account activity – all customers.

(10) Summary of gas supply (Dts).

All of these schedules were prepared by me or under my supervision.

**Q. Has Piedmont accounted for its cost of gas in compliance with Rule R1-17(k) and the Commission's prior order in Docket G-100, Sub 67?**

A. Yes. Piedmont has complied with the Rule and has filed with the Commission (with a copy to the Public Staff) a complete monthly accounting of its computations under the approved procedures. As ordered by the Commission in Docket G-100, Sub 67, Piedmont has recorded the net compensation from secondary market transactions in the All Customers' Deferred Account.

Q. Has Piedmont accounted for its secondary market sales and capacity release to Duke Energy Carolinas, LLC (“DEC”) and Duke Energy Progress, LLC (“DEP”) in compliance with the North Carolina Utilities Commission’s September 29, 2016 *Order Approving Merger Subject to Regulatory Conditions and Code of Conduct* regarding the Duke Energy – Piedmont merger?

A. Yes. Piedmont has recorded in Piedmont's Deferred Gas Cost accounts all of the margins (also referred to as net compensation) received by Piedmont on secondary market sales and capacity release transactions with DEC and DEP for the benefit of the rate payers without any benefit to or sharing by Piedmont.

1      **Q. How do the gas costs incurred by Piedmont during the Review Period**  
2                   **compare with the gas costs recovered from Piedmont's customers**  
3                   **during the same period?**

4      A. During the Review Period, Piedmont incurred gas costs of \$300,968,248,  
5                   received \$251,859,245 through rates and allocated the difference of  
6                   \$(49,109,003) to Piedmont's gas cost deferred accounts. At May 31,  
7                   2020, Piedmont had the following deferred account balances:

All Customers Account	\$ 21,209,945
Sales Customers Account	<u>\$ (8,786,766)</u>
Total	<u>\$ 12,423,179</u>

11     Piedmont also has a debit balance in its Hedging Program Deferred  
12        Accounts of \$3,976,782 at May 31, 2020, which is included in the Sales  
13        Customers Account balance above.

14      **Q. Has the Commission been kept advised of changes in Piedmont's**  
15                   **deferred accounts during the Review Period?**

16      A. Yes, during the Review Period Piedmont filed information with the  
17                   Commission on a monthly basis regarding the status of its deferred  
18                   accounts and has provided copies of this information to the Public Staff.

19      **Q. How does Piedmont propose to address recovery of the Hedging**  
20                   **Account Balances?**

21      A. Piedmont proposes to combine the Hedging Deferred Accounts and the  
22                   Sales Customer Only Deferred Account balances to determine the net  
23                   increment/decrement for sales customers resulting from this proceeding.

1      **Q. What are the results of Piedmont's Hedging Program for the Review  
2                          Period?**

3      A. As indicated above, the balance in the Hedging Program Deferred  
4                          Accounts at May 31, 2020 was \$3,976,782. I have attached an analysis of  
5                          the Hedging Program Deferred Account for the Review Period as  
6                          **Exhibit\_(MBT-2).**

7      **Q. Are you proposing that any rate increments or decrements be  
8                          implemented in this proceeding on the basis of the balance in the  
9                          Sales Customers gas cost deferred account?**

10     A. Yes. Based on the end-of-period balance for the Sales Customers  
11                          deferred account, I recommend that the decrement to Piedmont's rates  
12                          reflected on **Exhibit\_(MBT-3)**, attached hereto, be placed into effect.  
13                          The proposed decrement rate is designed to refund to customers the end-  
14                          of-period deferred account balance over a period of twelve months.

15     **Q. Are you proposing that any rate increments or decrements be  
16                          implemented in this proceeding on the basis of the balance in the All  
17                          Customers gas cost deferred account?**

18     A. Yes. Based on the end-of-period balance in the Company's All  
19                          Customers gas cost deferred account, I recommend that the increments to  
20                          Piedmont's rates reflected on **Exhibit\_(MBT-4)**, attached hereto, be  
21                          placed into effect. The proposed increment rates are designed to collect  
22                          from customers the end-of-period deferred account balance over a period  
23                          of twelve months.

1   **Q. With the implementation of the proposed temporaries, will the**  
2   **Company continue to monitor the balances in the All Customers and**  
3   **Sales Customers gas cost deferred accounts?**

4   A. Yes. The Company will continue to monitor the balances in both of these  
5   gas cost deferred accounts and, if needed, file an application for authority  
6   through the Purchased Gas Adjustment mechanism to implement updated  
7   rates in order to keep these deferred account balances at reasonable levels.

8   **Q. Does this conclude your testimony?**

9   A. Yes.

# **Exhibit \_(MBT-1)**

<b>Schedule 1</b>	Summary of Cost of Gas Expense
<b>Schedule 2</b>	Summary of Demand and Storage Gas Costs
<b>Schedule 3</b>	Summary of Commodity Gas Costs (\$)
