Re: Docket No. EMP-93, Sub 0
Notice of Transfer of Upstream Ownership

Dear Ms. Campbell:

Pursuant to Commission Rule R8-63(e)(4), Wilkinson Solar Holdings LLC (“Invenergy”), Wilkinson Solar LLC (“Wilkinson Solar”), and Dominion Solar Projects VII, Inc. (“Dominion Solar Projects VII” and, together with Invenergy and Wilkinson Solar, the “Parties”) hereby jointly provide notice to the North Carolina Utilities Commission (the “Commission”) of the transfer of the upstream ownership of Wilkinson Solar from Invenergy to Dominion Solar Projects VII.

On December 21, 2018, in the above-captioned docket, the Commission issued an amended¹ CPCN pursuant to N.C.G.S. § 62-110.1(a) to Wilkinson Solar for construction of a 74 MW solar photovoltaic (“PV”) merchant plant electric generating facility to be located on the south side of Terra Ceia Road, between Vreugdenhil Road and Christian School Road, and the north side of Terra Ceia Road, east of Christian School Road in Beaufort County, North Carolina.

With this letter, the Parties hereby notify the Commission that Dominion Solar Projects VII has purchased all of the membership interests in Wilkinson Solar from Invenergy. As a result of the acquisition, the upstream ownership of Wilkinson Solar has changed, but Wilkinson Solar will continue to hold the CPCN issued in Docket No.

¹ The Commission first issued Wilkinson Solar a CPCN on October 11, 2017. *Order Issuing Certificate of Public Convenience and Necessity*, Docket No. EMP-93, Sub 0 (Oct. 11, 2017). Subsequently, on December 27, 2018, Wilkinson Solar’s CPCN was amended. *Order Accepting Settlement and Issuing Amended Certificate of Public Convenience and Necessity*, Docket No. EMP-93, Sub 0 (Dec. 21, 2018).

EMP-93, Sub 0 on December 21, 2018. In connection with this transfer, the contact information for Wilkinson Solar is now:

Wilkinson Solar LLC
c/o Dominion Energy, Inc.
600 East Canal Street
Richmond, VA 23219
Attention: Director—Renewable Energy

The transfer of upstream ownership of Wilkinson Solar will not affect the operations, plant configuration, or electric generating capacity of the Wilkinson Solar facility from what was described in previous filings made in this docket or from what is stated on the amended CPCN.

Based on the foregoing, Invenergy, Wilkinson Solar, and Dominion Solar Projects VII respectfully request that the Commission accept this notice of the change in upstream ownership of Wilkinson Solar from Invenergy to Dominion Solar Projects VII.
