NOTICE TO CUSTOMERS

**DOCKET NO. W-1063, SUB 5
BEFORE THE NORTH CAROLINA UTILITIES COMMISSION**

Notice is hereby given that C & P Enterprises, Inc. (Applicant), Post Office Box 31563, Raleigh, North Carolina, has filed an application with the North Carolina Utilities Commission (Commission) on August 27, 2021, for authority to increase its rates for providing sewer utility service in all of its service areas in Carteret County, North Carolina.

The Applicant's present and proposed rates are as follows:

	<u>Present Rates</u>	<u>Proposed Rates</u>
<u>Monthly Flat Rate Sewer Utility Service:</u>		
Ocean Bay Villas	\$2,912.31	\$3,526.65
Ocean Glen Condominiums	\$2,169.96	\$2,627.70

The Commission may consider additional or alternative rate design proposals which were not included or proposed in the original Application and may order increases or decreases in the utility rate schedules which differ from those proposed by the Applicant. However, any rate structure considered will not generate more overall revenues than requested.

Effect of the Rates

The proposed rates would increase the average residential bill for sewer utility service by 21.1% for both customers.
