BY THE CHAIR: On March 2, 2021, the Commission issued an Order Requiring Reports and Scheduling Presentation in the above captioned docket. Among other things the order required Duke Energy Carolinas, LLC (DEC), and Duke Energy Progress, LLC (DEP, jointly with DEC, Duke), to annually file by March 15 the most recent version of IEEE Standard 1547, its Implementation Guidelines for IEEE Standard 1547, and a narrative explanation of any stakeholder meetings that have occurred since its previous filing (IEEE Status Report).

On March 13, 2023, Duke filed a Motion for an Extension of Time requesting an additional 15 days to file its 2023 IEEE Status Report. In support of its motion, Duke states that it has been working diligently to prepare the report, but needs additional time to prepare a thorough report.

IT IS, THEREFORE, SO ORDERED.
