**Re: Docket No. E-100, Sub 175
Biennial Determination of Avoided Cost Rates for Electric Utility
Purchases from Qualifying Facilities – 2021**

Dear Ms. Dunston:

Enclosed for filing in the above-captioned proceeding on behalf of Virginia Electric and Power Company, d/b/a Dominion Energy North Carolina (“DENC” or the “Company”), is the Company’s **confidential** Corrected Exhibit DENC-7 to its Corrected Avoided Capacity Rates as filed contemporaneously in this docket.

This filing contains confidential information. Information designated by the Company as confidential qualifies as “trade secrets” under N.C. Gen. Stat. § 66-1 52(3). Public disclosure of this information would allow access by external vendors to the projected or actual costs for services that will be or have been competitively bid, which may provide commercial value to such external vendors and may ultimately result in harm to ratepayers. Pursuant to N.C. Gen. Stat. § 132-1.2, the Company has redacted this confidential information and is contemporaneously filing these confidential pages under seal. The Company will make this information available to other interested parties pursuant to an appropriate nondisclosure agreement.

Please do not hesitate to contact me if you have any questions. Thank you for your assistance in this matter.

Very truly yours,

/s/Andrea R. Kells

Enclosures

CERTIFICATE OF SERVICE

I hereby certify that copies of the foregoing **confidential** Corrected Exhibit DENC-7, filed in Docket No. E-100, Sub 175, were served electronically or via U.S. mail, first-class postage prepaid, upon all parties of record who have entered into a nondisclosure agreement with the Company in this proceeding.

This the 7th day of January, 2022.

/s/Andrea R. Kells
