On September 15, 2021, the President of the United States signed the Infrastructure Investment and Jobs Act, H.R. 3684, 117th Cong. session. The Act amends the Public Utility Regulatory Policies Act of 1978, by adding new federal ratemaking standards.

PURPA by adding Section 111(d)(21), as follows:

3. PROGRAMS. – Each State shall consider the electrification of the transportation sector, of rates that –

equitable electric vehicle charging options for light-, and public electric vehicle charging

experience associated with electric vehicle charging times for light-, medium-, and

investment in electric vehicle charging for light-, medium-, and heavy-duty vehicles; and

the marginal costs of delivering electricity to electric vehicle charging infrastructure.

Section 111(d)(21) of PURPA, 16 U.S.C. § 2622, to require each state regulatory authority with ratemaking authority over electric utilities to commence consideration under section 111 of PURPA, 16 U.S.C. § 2611, or to set a hearing date for consideration with respect to the standard established by the IJA in
