Pursuant to that Order, parties participating in the expert witness hearing are required to file a list of potential cross-examination and redirect exhibits and provide copies of the exhibits to the other parties and to the Commission on or before May 21, 2021.

On May 7, 2021, Sierra Club filed a motion requesting an extension of time to file direct testimony and exhibits on May 17, 2021, and to allow Duke Energy Carolinas, LLC (DEC) to file its rebuttal testimony on or before May 27, 2021. The Commission issued an order granting that motion on May 11, 2021.

On May 20, 2021, the Sierra Club filed a motion requesting an extension to file potential cross-examination and redirect exhibits.
