

4. The current deadline for noticing appeal of the Order Approving Revised Net Metering Tariffs is April 22, 2023.¹

5. Pursuant to N.C. Gen. Stat. § 62-90(a), the Joint Movants may file a notice of appeal and exceptions to the Order Approving Revised Net Metering Tariffs within thirty (30) days of its entry, “or within such time thereafter as may be fixed by the Commission, not to exceed 30 days.”

7. Moreover, the present docket is extremely important and impacts thousands of residential net energy metering customers throughout the State of North Carolina. Therefore, it is essential that careful scrutiny be exercised when considering a potential appeal.

8. For these reasons and others, the Joint Movants need additional time to adequately assess whether to file a notice of appeal and exceptions to the Order Approving Revised Net Metering Tariffs.

WHEREFORE, the Joint Movants respectfully request an extension of an additional thirty (30) days, up to and including May 22, 2023, in which any party

However, for purposes of calculating the thirty (30) day extension requested herein, the Joint Movants have used the April 22, 2023 date.
