DOCKET NO. E-100, SUB 137

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of)
2012 Biennial Integrated Resource Plans) ORDER GRANTING
and Related 2012 REPS Compliance Plans) EXTENSION OF TIME

BY THE PRESIDING COMMISSIONER: From August 31, 2012 through September 13, 2012, the electric public utilities and electric membership corporations filed 2012 biennial integrated resource plans (IRPs), and related 2012 Renewable Energy and Energy Efficiency Portfolio Standard (REPS) compliance plans in the above-captioned docket.

On July 15, 2013, the Commission issued an Order allowing parties to file briefs and proposed orders on the IRPs and REPS compliance plans by Monday, August 26, 2013.

On August 21, 2013, the Public Staff filed a Motion for Extension of Time requesting that the Commission extend the due date for briefs and proposed orders to Monday, September 9, 2013. In support of its motion, the Public Staff states that due to the large number of other proceedings in which the Public Staff is involved it needs additional time to prepare its proposed order. Further, the Public Staff states that it notified all parties in this docket and no party has objected to the extension of time.

Based upon the record and the Public Staff's motion, the Presiding Commissioner finds good cause to extend the date on which all parties may file briefs and proposed orders to Monday, September 9, 2013.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 22nd day of August, 2013.
