**BEFORE THE NORTH CAROLINA UTILITIES COMMISSION**

In the Matter of	)	
Revocation of Registration of Renewable	)	ORDER REVOKING REGISTRATION
Energy Facilities and New Renewable	)	OF RENEWABLE ENERGY
Energy Facilities Pursuant to	)	FACILITIES AND NEW RENEWABLE
Rule R8-66(f) – 2021	)	ENERGY FACILITIES

BY THE COMMISSION: On September 16, 2021, the Commission issued an Order giving notice of its intent to revoke the registration of 139 renewable energy facilities and new renewable energy facilities because the owners had not completed or filed the annual certification required each April 1 as detailed in Commission Rule R8-66(b)(9). According to Commission records and records maintained in the North Carolina Renewable Energy Tracking System (NC-RETS), the owners of the 25 renewable energy facilities or new renewable energy facilities listed in Appendices A and B did not complete their annual certification on or before October 15, 2021, as required by the Commission's September 16, 2021 Order, nor has an annual certification been completed for these facilities as of the date of this Order.

The Commission, therefore, finds good cause to revoke the registrations of the 25 facilities listed in Appendices A and B effective October 15, 2021.

IT IS, THEREFORE, ORDERED as follows:

1. That the registrations previously approved by the Commission for the 25 facilities listed in Appendices A and B shall be, and are hereby, revoked effective October 15, 2021;
2. That the NC-RETS Administrator shall not allow the owners of the facilities listed in Appendices A and B to establish those facilities as “projects” in NC-RETS;
3. That the NC-RETS Administrator shall not allow any NC-RETS account holder to import from the facilities listed in Appendices A and B renewable energy certificates (RECs) that are dated October 15, 2021 or later;
4. That any RECs dated October 15, 2021, or later, earned by a facility listed in Appendices A or B, whose registration has been revoked pursuant to this Order, are ineligible to be used by an electric power supplier for compliance with the Renewable Energy and Energy Efficiency Portfolio Standard (REPS);
5. That in the future, should the owner of a facility whose registration has been revoked pursuant to this Order wish to have the energy output from its facility become eligible for compliance with the Renewable Energy and Energy Efficiency Portfolio Standard (REPS), the owner must again register the facility with the Commission;
6. That the NC-RETS Administrator shall post a copy of this Order on the home page of the NC-RETS website;
7. That the Chief Clerk shall serve a copy of this Order on all parties in Docket No. E-100, Sub 113;
8. That the Chief Clerk shall serve a copy of this Order on each renewable energy facility and new renewable energy facility listed on Appendix A and Appendix B hereto by means of United States certified mail, return receipt requested; and
9. That the Chief Clerk shall send a copy of this Order to the NC-RETS Administrator.

ISSUED BY ORDER OF THE COMMISSION.

This the 17th day of December, 2021.

NORTH CAROLINA UTILITIES COMMISSION
