PROPOSED AND PRESENT RATES

- | | <u>Proposed Rates</u> | <u>Present Rates</u> |
|--|-----------------------|----------------------|
| 9. Water usage rate (not to exceed supplier's unit consumption rate): | <u>\$4.76</u> | <u>\$4.69</u> |
| 10. Sewer usage rate (not to exceed supplier's unit consumption rate): | <u>\$6.24</u> | <u>\$6.15</u> |
| 11. Are the usage rates listed above per ccf or per 1,000 gallons? | <u>1,000 Gallons</u> | <u>1,000 Gallons</u> |
| 12. Monthly administrative fee: | <u>\$8.23</u> | <u>\$8.19</u> |
- (NOTE: NCUC Rule R18-6(a) specifies that no more than \$3.75 may be added to the cost of purchased water and sewer service as an administrative fee to compensate the provider for meter reading, billing, and collection. An additional administration fee amount may be requested to compensate the provider for administrative fees imposed by the supplier)
13. Bills past due 25 days after billing date (NCUC Rule R18-7(d) specifies that bills shall not be past due less than twenty-five (25) days after billing date).
 14. Bills Due: On billing date.
 15. Billing Frequency: Shall be monthly for service in arrears.
 16. Effective date of the supplier's rate increase 14 days after date of notification

REQUIRED EXHIBITS

17. Enclose a copy of the supplier's schedule of new rates that will be charged to the provider for purchased water.
18. Enclose a copy of the supplier's schedule of new rates that will be charged to the provider for purchased sewage treatment.
19. If the company is requesting an increase in the administrative fee, see instructions on the reverse.

INSTRUCTIONS

20. Pursuant to NCUC Rule R18-6(b), an apartment complex or manufactured home park may increase its rates by filing this notification of revised rates and fees with the Commission. The rates proposed on this notification will become effective on the latter of: (1) the effective date of the increase in rates by your supplier of water and purchased sewage treatment, or (2) fourteen (14) days after the date the notification was filed with the Commission, unless the rates are suspended or disapproved by Commission Order issued within 14 days of the filing of this notification.

INSTRUCTIONS (continued)

21. A separate notification should be filed for each apartment complex or manufactured home park.
22. **Line 1** - The Company's name listed on Line 1 should be the name of the current owner as certified by the Commission. Do **not** list the name of the billing and collection company or the management company. Under General Statute 62-111, any transfer of the authority to charge rates requires prior approval by the Commission. If the system has been transferred without prior Commission approval, the new owner should immediately file a transfer application with the Commission. Until a transfer application is filed and approved, the new owner has no authority to charge rates. The transfer application form may be obtained by calling the Public Staff – Water Division at (919) 733-5610 or from the Commission's website at www.ncuc.net by accessing Applications (Water/Wastewater Resale Applications).
23. **Line 2** – The business mailing address listed on Line 2 should be the mailing address for the current owner as certified by the Commission. Do **not** list the mailing address for the billing and collecting company or the management company.
24. **Line 6** – The name of the apartment complex or manufactured home park listed on Line 6 should be the name as certified by the Commission. If the name of the apartment complex or manufactured home park has been changed since the authority was granted by the Commission, list both the original name and the current name. For example, Happy Hollow (formerly High Ridge).
25. **Line 7** – The docket number, which begins with "WR-", as listed on the current schedule of rates for the apartment complex or manufactured home park, should be included on this line.
26. **Line 19** - Enclose a copy of the current agreements or contracts covering the provision of billing and collection and meter reading services or other documentation supporting the requested increase in the administrative fee. Enclose an exhibit listing the master meters serving the apartment complex or mobile home park, indicating for each master meter the size of the meter. Apartment complexes should also indicate the number of apartment buildings served by the meter, and the number of apartments in each apartment building.
27. **Line 20** – The notification should be signed by the owner or management company, not the billing and collecting company.
28. **MAIL TO** – Submit one (1) original application with **original notarized signature** and required exhibits to: [USPS address] **Chief Clerk's Office, North Carolina Utilities Commission, 4325 Mail Service Center, Raleigh, North Carolina 27699-4325**, or [overnight delivery at street address] **Chief Clerk's Office, North Carolina Utilities Commission, 430 North Salisbury Street, Raleigh, North Carolina 27603**. Provide a self-addressed stamped envelope, plus additional copies, if a file-stamped copy is requested by the Applicant.
29. **QUESTIONS** – For any questions concerning this notification form, please contact the **Public Staff – Water Division at (919) 733-5610**.

Important Messages

- 1) The City of Raleigh applies rates and charges (e.g., Base Charge, Service Initiation, etc.) per meter.
- 2) An Infrastructure Replacement Charge has been implemented to help fund replacement of aging infrastructure of the Water Distribution and Waste Water Systems. This is a monthly charge based on each individual meter size.
- 3) AutoPay accounts will be drafted on the due date for the total amount owed.
- 4) An "E" next to the meter read indicates the meter reading was estimated.
- 5) Accounts must be paid by the due date to avoid a late charge of \$5. Unpaid balances are subject to further collection efforts, including service interruption.
- 6) Moving? The account holder is responsible for all charges and must notify Customer Care and Billing to start or stop services.
- 7) Unpaid balances on final billed accounts will be transferred after the due date to an active account.
- 8) Due to the potential water loss, leaks found on the property side of the meter must be corrected within 48 hours. Customers will receive a door hanger as notification. Failure to comply will result in fines and service interruption.

PAST DUE ACCOUNTS NOTICE:

Collections activity will begin immediately on past due accounts, which may include disconnecting services, disabling access to non-metered services (such as sewer access), and sending debt to a collection agency or to the North Carolina Debt Set-Off Program. If services are terminated for non-payment of any past due balance, full payment is required prior to restoration of services. For more information, go to www.raleighnc.gov

Payment Options:
