Commissioners-Please stay consistent with past practice and not allow the inclusion of Red Bird's acquisition adjustment in determining its monthly rate customers are paying today. An increase of \$22.23, an 84% increase, in residential monthly wastewater flat rates is exorbitant. I am unable to attend the hearing in Raleigh on 3/5/24 regarding this matter and need to entrust to you action that will respect consumers from inflated profits and outright greed. Thank you for your service and for your kind consideration of this matter.
