DOCKET NO. E-2, SUB 1002

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of
Application of Carolina Power & Light Company,)
d/b/a Progress Energy Carolinas, Inc., for) ORDER GRANTING
Approval of Demand Side Management and) EXTENSION OF TIME
Energy Efficiency Cost Recovery Rider Pursuant)
to G.S. 62-133.9 and Commission Rule R8-69)

BY THE PRESIDING COMMISSIONER: On September 2, 2011, the Public Staff filed a motion in the above-captioned docket requesting the Commission to enter an order extending the time for filing of the direct testimony and exhibits by the Public Staff and other intervenors from Wednesday, September 7, 2011, to Friday, September 9, 2011, and rebuttal testimony and exhibits from Friday, September 16, 2011, to Tuesday, September 20, 2011. The Public Staff stated, among other things, that because of the press of work on other matters the Public Staff needs additional time to complete its investigation and prepare its testimony in this docket. In addition, the Public Staff contacted Progress Energy Carolinas, Inc. (PEC) and the Carolina Utility Customers Association, Inc. (CUCA), about its intention to request an extension of these deadlines to file testimony and PEC and CUCA do not object to the extensions.

The Presiding Commissioner is of the opinion that good cause exists to grant the requested extensions of time.

IT IS, THEREFORE, ORDERED that the deadline for all intervenors to file direct testimony and exhibits is hereby extended to Friday, September 9, 2011, and the deadline for PEC to file rebuttal testimony and exhibits is extended to Tuesday, September 20, 2011.

ISSUED BY ORDER OF THE COMMISSION.

This the 6th day of September, 2011.
