Re: Docket No. G-40, Sub 160

Dear Ms. Dunston:

On March 9, 2022, and pursuant to Regulatory Condition No. 12 in Docket No. G-40, Sub 160, Frontier Natural Gas Company (“Frontier” or the “Company”) made a confidential letter filing in which the Company notified the Commission of the agreement of Ullico Inc. to acquire Hope Gas, Inc., a West Virginia natural gas local distribution utility, from Dominion Energy. Frontier hereby notifies the Commission that this transaction closed on August 31, 2022 and a copy of the official press release is attached hereto.

As previously stated in the Company’s March 9, 2022 filing, the transaction described above does not modify the organizational structure above Frontier, will not affect any of the commitments made by Frontier, and will have no impact on the regulated utility operations or debt of Frontier.

In addition to the above, and pursuant to Regulatory Condition No. 29 in Docket No. G-40, Sub 160, Frontier hereby notifies the Commission of a change in regulatory personnel at the management level in connection with the closing of the above-referenced transaction. Jo Carol Farmer has been hired to serve as Senior Vice President of Rates and Regulatory Relations for Hope Gas, Inc. and Hearthstone Utilities, Inc. A copy of Ms. Farmer’s resume is attached hereto.

Thank you for your assistance with this matter. If you have any questions about this filing, you may reach me at the number shown above.

Sincerely,

/s/ James H. Jeffries IV
