The NCUC has exercised appropriate authority in regards to rate determinations, etc over passenger ferries operating within the state and specifically in regards to Bald Head Island Transportation. BHIT has a monopoly on providing access to property owners on Bald Head Island to their homes. Without the stringent oversight provided by the NCUC in regards to the ferry, parking and barge operations of BHIT, reasonable access to our property on the island would be in jeopardy. Please continue to provide oversight and rate determination decisions as you have in the past. Kind regards, Trisha Johnson 109 Kitty Hawk Way, BHI
