**RE: Duke Energy Progress, LLC
Small Generator Interconnection Consolidated Annual Report
Docket No. E-100, Sub 113B**

Dear Ms. Mount:

Pursuant to the Commission's December 31, 2014 *Order Consolidating Reporting Requirements* in Docket No. E-100, Sub 113, I enclose for filing in connection with the referenced matter Duke Energy Progress, LLC's ("DEP") Small Generator Interconnection Consolidated Annual Report for the period ending December 31, 2015.

The enclosed report in spreadsheet format provides detailed information on all applications in DEP's interconnection queue (Item A), all generators interconnected with DEP's system (Item B) and all facilities with which DEP has a Purchased Power Agreement (Item C) for the period ending December 31, 2015. Information that has been updated since the last Small Generator Interconnection Consolidated Annual Report for the period ending February 28, 2015 is highlighted in bold.

Since the last report for the period ending February 28, 2015, DEP has not removed or rejected any customer-generators from net metering. DEP is not aware of any damages or injuries associated with any small generator interconnections or net metering installations.
