Re: Docket No. G-40, Sub 160

Dear Ms. Dunston:

Pursuant to Regulatory Condition No. 24, and Ordering Paragraph 2 of the *Order Approving Merger Subject to Regulatory Conditions*, Frontier Natural Gas Company (“Frontier”) is required to provide a credit to its customers in the amount of \$200,000, through two bill credits in the amount of \$100,000 each and file a report with the Commission within 30 days after each bill credit has been completed.

In compliance with the above, Frontier has attached a schedule setting forth the actual bill credits to be rendered to customers for the first of the two \$100,000 bill credits which became effective for bills rendered on and after December 15, 2021. These credits are being issued based on prior 12-months usage by individual customers, so they are not dependent upon current usage. In addition, the credit calculation methodology utilized by Frontier was reviewed by the Public Staff prior to implementation of the credits.

If you have any questions regarding this filing, you may reach me at the number shown above.

Sincerely,

/s/ James H. Jeffries IV
