Re: FLS Owner II, LLC - Registration Statements for New Renewable Energy Facilities  
Residential Solar Thermal Water Heating Facilities at Camp Lejeune Marine Corps Base

Docket Number	No. of Homes	Total Btus/hour	Housing Location
RET-8, Sub 15	197	262,666	Nugent Cove
RET-8, Sub 16	89	118,666	New River Officer Housing

Dear Ms. Vance:

The Public Staff – Electric Division has completed its review of the Registration Statements for New Renewable Energy Facilities filed by FLS Owner II, LLC, on August 10, 2011, and September 9, 2011, respectively, in the above-referenced dockets pursuant to Commission Rule R8-66. The Public Staff has also reviewed the additional information filed on September 16, 2011, in both dockets. As a result of our review, we recommend that the Registration Statements be considered complete and that the facilities be considered new renewable energy facilities.

I certify that a copy of this letter has been served on the individuals or businesses shown below, by depositing a copy in the United States Mail, first class postage prepaid, properly addressed. If necessary, please contact me at (919) 733-1518 or at Jay.Lucas@psncuc.nc.gov.
