Dear Ms. Jarvis:

I enclose the Affidavits of Publication for the initial Public Notice related to the Application of Duke Energy Progress, LLC ("DEP") for approval of Demand-Side Management and Energy Efficiency Cost Recovery Rider. DEP published the Public Notice in newspapers having general coverage in its service area. All of the newspapers confirmed that the ad was published twice, but the Wilmington Star-News has not yet provided an affidavit of publication. That affidavit will be filed upon receipt.

Thank you for your attention to this matter. If you have any questions, please let me know.

Sincerely,

Recovery Rider Pursuant to G.S. 62-133.9 and  
Commission Rule R8-69

PUBLIC NOTICE

NOTICE IS HEREBY GIVEN that the North Carolina Utilities Commission has scheduled a public hearing in the annual demand-side management (DSM) and energy efficiency (EE) cost recovery proceeding for Duke Energy Progress, LLC (DEP). The public hearing has been scheduled to begin immediately following the hearings in Docket Nos. E-2, Subs 1173 and 1175, which are scheduled to begin at 9:30 a.m., on Tuesday, September 18, 2018, in Commission Hearing Room 2115, Dobbs Building, 430 North Salisbury Street, Raleigh, North Carolina. This proceeding is being held pursuant to the provisions of G.S. 62-133.9 and Commission Rule R8-69, for the purpose of determining whether an increment or decrement rider is required to allow DEP to recover all reasonable and prudent costs incurred for adoption and implementation of new DSM and new EE measures and appropriate incentives. Public witness testimony will be received in accordance with Commission Rule R1-21(g).

On June 20, 2018, Duke Energy Progress filed an application and testimony relative to the subject matter of the proceeding. By its application DEP requests a total annual revenue increase of approximately \$29.4 million, effective January 1, 2019, from the DSM/EE rider currently in effect. This request would result in an increase of 0.044 cents per kilowatt-hour (kWh) for residential customers. Non-residential General Service customers, depending upon their participation in DEP's DSM or EE programs, would see a DSM rider increase of 0.003 cents per kWh, and an EE rider increase of 0.225 cents per kWh. Lighting customers would see an EE rider decrease of 0.006 cents per kWh. Industrial and large commercial customers that have, under G.S. 62-133.9, opted out of and never participated in DEP's DSM and EE programs are not subject to the rider.

Further information may be obtained from the Office of the Chief Clerk, North Carolina Utilities Commission, 430 North Salisbury Street, Raleigh, North Carolina, where a copy of DEP's application is available for review by the public. Also, documents may be viewed on the Commission's website at www.ncuc.net.

Statements to the Attorney General should be addressed to The Honorable Josh Stein, Attorney General, c/o Consumer Protection- Utilities, 9001 Mail Service Center, Raleigh, North Carolina, 27699-9001.

PUBLIC NOTICE

NOTICE IS HEREBY GIVEN that the North Carolina Utilities Commission has scheduled a public hearing in the annual demand-side management (DSM) and energy efficiency (EE) cost recovery proceeding for Duke Energy Progress, LLC (DEP).
