

**STATE OF NORTH CAROLINA
UTILITIES COMMISSION
RALEIGH**

DOCKET NO. E-100, SUB 161

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of	
Commission Rules Related to Electric) ORDER GRANTING MOTION FOR
Customer Billing Data) EXTENSION OF TIME

BY THE CHAIRMAN: On February 4, 2019, the Commission issued an Order in the above-captioned docket initiating a rulemaking on access to electric customer usage data. The Order, among other things, allows parties to file initial comments and/or proposed rules by April 15, 2019.

On April 1, 2019, the Public Staff filed a motion requesting an extension of time to June 14, 2019, to file initial comments and/or proposed rules. In summary, the Public Staff states that it is in the process of drafting a proposed rule, and would like the opportunity to share its draft rule, once completed, with other parties to receive their insights. In addition, the Public Staff states that it informed all parties to this proceeding of its motion for extension and sought feedback regarding whether any party had objections to the proposed extension of time, that all parties except Environmental Defense Fund (EDF) and Ecoplexus, Inc. responded that they do not oppose the motion, and that EDF and Ecoplexus have not expressed opposition to the motion.

Based on the Public Staff's motion and the record, the Chairman finds good cause to extend the date for all parties to file initial comments and/or proposed rules to June 14, 2019.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 3rd day of April, 2019.
