NOW COMES THE PUBLIC STAFF – North Carolina Utilities Commission, by and through its Executive Director, Christopher J. In support of this motion, the Public Staff shows as follows:

1. On December 18, 2018, Duke Energy Progress, LLC (DEP), filed its request for approval of proposed modifications to its Residential Smart \$aver Energy Efficiency Program.
2. Rule R8-68(d)(2) provides that interested parties shall have 30 days from the date of the filing in which to intervene, file a protest, or file comments. The 30 day period for the instant application expires January 17, 2019.
3. The Public Staff has issued a discovery request to DEP on this proposed program, and has received a portion of the response. It expects to receive the remainder of the response shortly. The Public Staff expects its review of the discovery response to extend beyond the January 17 due date for

comments, necessitating an extension of time for filing comments. Therefore, the Public Staff requests a seven-day extension of time for interested parties to file comments.

That the Commission grant the Public Staff an extension of time until the close of business on January 24, 2019, in which to file its comments in this docket.
