**RE: Duke Energy Carolinas, LLC's' 2015 Revised REPS Compliance Plan
and Duke Energy Progress, LLC's 2015 Revised REPS Compliance
Plan
Docket No. E-100, Sub 141**

Dear Chief Clerk:

Pursuant to the Commission's June 3, 2013 *Order Granting in Part and Denying in Part Motion for Disclosure* in Docket No. E-100, Sub 137 (the "June 3, 2013 Order"), enclosed please find Duke Energy Carolinas, LLC's ("DEC") Revised Table 2 (page 93) and Exhibit A of its 2015 Renewable Energy and Energy Efficiency Portfolio Standard ("REPS") Compliance Plan and Duke Energy Progress, LLC's ("DEP") Revised Table 2 (page 86) and Revised Exhibit A of its 2015 REPS Compliance Plan. The June 3, 2013 Order required DEC and DEP to annually review their REPS compliance plans from four years earlier and disclose any redacted information that is no longer considered a trade secret.

DEC and DEP have reviewed their 2015 REPS Compliance Plans and determined that certain information contained in Table 2 and Exhibit A no longer qualifies as a trade secret: combustion turbine costs, contract duration and estimated Renewable Energy Certificates ("RECs") for compliance with REPS set-aside requirements. However, certain information in Exhibit A remains a trade secret and commercially sensitive information, and both DEC and DEP renew their earlier requests to treat this information confidentially pursuant to N.C. Gen. Stat. § 132-1.2. The redacted information includes the names of counterparties with whom DEC and DEP have contracted for RECs. Public disclosure of this information would harm DEC's and DEP's ability to negotiate and procure cost-effective purchases and discourage potential bidders from participating in requests for proposals.

Because the confidential data filed on September 1, 2015 has not changed, DEC and DEP are not re-filing the confidential version of those pages. Parties to the docket may contact DEC and DEP to obtain copies pursuant to an appropriate confidentiality agreement.

If you have any questions, please let me know.

Sincerely,

A handwritten signature in black ink that reads "Robert W. Kaylor". The signature is written in a cursive style with a large, stylized 'R' and 'K'.
