*Re: Docket No. M-1, Sub 12PSNC*

Dear Ms. Dunston:

Pursuant to the North Carolina Utilities Commission's ("Commission") January 30, 2020 *Order Requiring Electronic Filing of Quarterly Financial and Operational Data* in Docket No. M-100, Sub 157, on November 30, 2021, Public Service Company of North Carolina, Inc. ("PSNC") filed the quarterly surveillance report on Commission Form GS-1 for the period ending September 30, 2021 ("November 30 Filing").

The letter transmitting the November 30 Filing included language in the second paragraph not relevant to the November 30 Filing. For that reason, PSNC files this revised letter with the following truncated paragraph:

"Due to methodological and timing differences between the data presented in this report and the manner in which PSNC would otherwise calculate pro forma rate base and income for ratemaking purposes for the relevant period, PSNC respectfully submits that the information reflected on the attached report should be used for informational purposes only. The report is not an accurate reflection of the Company's reporting for ratemaking purposes."

Thank you for your assistance with this matter. Please do not hesitate to contact me if you have any questions regarding this submittal.

Very truly yours,

/s/Mary Lynne Grigg
