Re: Docket No. G-9, Sub 772

Dear Ms. Dunston:

On October 4, 2022, in the above-captioned docket, the North Carolina Utilities Commission ("Commission") approved the Natural Gas Firm Transportation Service and Minimum Margin Commitment Agreement ("Agreement") between Piedmont Natural Gas Company, Inc. ("Piedmont") and Charlotte Pipe and Foundry Company ("Customer"). The Agreement related to the proposed construction of facilities necessary for Piedmont to provide natural gas service to the Customer's new location. The Agreement provided an estimate of rates and the annual margin requirement (shown in Section 2. 2 and Attachment A to the Agreement) and also provided for the subsequent revision and true-up of those estimated rates and annual margin requirement based upon the actual cost to construct the facilities.

Piedmont hereby advises the Commission that it has now completed construction of the facilities and has provided notice to the Customer of the revised rates and annual margin requirement calculated in accordance with the provisions of the Agreement. In order to ensure that the Commission's records are accurate and complete, Piedmont hereby submits for the Commission's information Piedmont's notice to the Customer of the cost revision and true-up, including the revised rates and annual margin requirement.

Piedmont's notice to the Customer, attached herein, is confidential and proprietary in nature and is filed by Piedmont under seal pursuant to G.S. 132 -1.2. Piedmont respectfully requests that the Commission treat this notice in a manner consistent with that designation.

Thank you for your assistance with this matter. If you have any questions regarding this filing, you may reach me at the number shown above.

Sincerely,
