Docket No. W-218, Sub 526A  
Reporting Requirement Docket  
Request for Extension of Time to File Seventeenth  
Semi-Annual Report Regarding Secondary Water Quality  
Concerns

Dear Ms. Dunston:

Aqua North Carolina, Inc. (“Aqua” or “Company”) hereby requests an extension of time until Friday, September 30, 2022, for the Company and the Public Staff to file the Seventeenth Semi-Annual Report Regarding Secondary Water Quality Concerns in Docket No. W-218, Sub 526A. Aqua requests this extension of time due to workload issues related to the press of issues and dockets currently pending before the Commission and the fact that this is a joint report which the Company must provide to the Public Staff for review and comment before it can be filed with the Commission. Aqua is authorized to state that the Public Staff does not oppose this request.

I hereby certify that a copy of this request has been electronically served on the parties to this docket.

Thank you and your staff for your assistance; please feel free to contact me if there are any questions or suggestions.

Sincerely,
