Mr. Lucas,

This letter is in response to the April 29, 2015 email regarding Docket No. SP-5138 Sub O.

The correct spelling for the last name on the Docket is Mautner.

The ROPC should state that the Capacity is 6.12 kW AC.

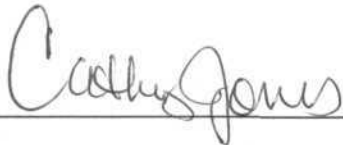

The owner will be using the NC Renewable Energy Tracking System to track the REC's.

The owner does intend to sell RECs.

Thank you for all you help. Please contact me at 336-341-6179 if you need any additional information.
