**RE: Docket No. SP-5259, Sub 0
Aulander Holloman Solar, LLC – Request for Amendment of CPCN**

Dear Chief Clerk's Office,

This filing is an amendment to the application for a Certificate of Public Convenience and Necessity ("CPCN") in the above-referenced docket. Aulander Holloman Solar, LLC (the "Applicant") hereby notifies the Commission that (i) the proposed location of the facility in the above referenced docket has been modified, (ii) the property owner(s) of the proposed facility has changed, (iii) the e911 addresses has now been assigned to the facility, and (iv) the facility is now projected to come online in phases before May 2019 instead of January 2016.

In the initial application dated February 25, 2015, the Applicant sought a CPCN to construct an 80 MW (AC) solar facility to be located east of N.C. Hwy 42/Hwy 11 South at/near Joe Holloman Rd in Aulander, Hertford County, North Carolina and at or near Brickmill Road in Bertie County North Carolina. The map from the original application is attached as Exhibit A. The Applicant hereby requests that the CPCN be amended to remove a parcel owned by FIATP SSF Timber, LLC as outlined in Exhibit B and add parcels of land located south/north of N.C. Hwy 42, and east of Indian Spring Road as outlined in Exhibit C hereto. The revised site layout consisting of the total parcels and property owners is attached as Exhibit D.

Additionally, the location of the proposed facility has been assigned the following e911 addresses:

208 Joe Holloman Rd Aulander, NC 27805
146 B W Brickmill Rd Aulander, NC 27805

Therefore, Aulander Holloman Solar, LLC respectively request that the Commission amend the CPCN under Docket No. SP-5259 Sub 0 to reflect the revised site layout, property owners, e911 addresses and projected online date.
