Re: Docket No. G-9, Sub 764

Dear Ms. Campbell:

On January 30, 2020, the Commission issued its *Order Requesting Additional information from Applicant and Public Staff Comments* regarding the application of Align RNG North Carolina, LLC, d/b/a Align Renewable Natural Gas (Align RNG), filed in this docket on January 17, 2020. In the application, Align RNG requested that the Commission approve its participation in the pilot program established by the Commission in its *Order Approving Appendix F and Establishing Pilot Program* issued June 19, 2018, in Docket No. G-9, Sub 698. The Public Staff has reviewed the application and has no objection to Align RNG participating in the pilot program, subject to the Commission's approval of a receipt interconnect agreement between Align RNG and Piedmont.

I am forwarding a copy of this letter to all parties of record.

Sincerely,

Electronically submitted  
/s/ Elizabeth D. Culpepper
