If no complaint is received within the time specified and the Commission does not order a hearing upon its own initiative, the Commission will enter an order awarding the amended certificate.

The Commission cannot take any action until after the Applicant has filed both the affidavit of publication and the certificate of service. Pursuant to Commission Rule R8-64(c)(2), the Commission will automatically dismiss the amendment to the application, without prejudice to refile, if the Applicant does not file the affidavit of publication and certificate of service within twelve months of the date of this Order.
