336 Area Code Change

NOTES/COMMENTS:

As Chief Financial Officer and part owner of a small business, I would like to voice my support for the industry recommendation of a distributed overlay plan for the 336 area code.

We are now using our third area code within the last 8 years. We have suffered a great deal of expense in changing stationery, reprogramming equipment, communicating changes to international customers and vendors, etc. For a small business it is a significant expense.

For these reasons, we feel the industry recommendation makes the most sense.

Respectfully,

D. Wayne Fisher
