*Re: Application of Dominion Energy North Carolina Pursuant to N.C.G.S.
§ 62-133.2 and Commission Rule R8-55 Regarding Fuel and Fuel-Related
Cost Adjustments for Electric Utilities
Docket No. E-22, Sub 605*

Dear Ms. Dunston:

With this letter, Virginia Electric and Power Company, d/b/a Dominion Energy North Carolina (“DENC” or the “Company”) advises the North Carolina Utilities Commission (“Commission”) that the Company is not filing rebuttal testimony in this proceeding.

On November 5, 2021, the Public Staff—North Carolina Utilities Commission (“Public Staff”) filed the testimony of Michael C. Maness, June Chiu, and Evan D. Lawrence describing the Public Staff’s investigation of the Company’s August 10, 2021 application and October 28, 2021 supplemental filing and update in this proceeding. Public Staff Witnesses Lawrence and Chiu recommended that the Commission approve the Company’s requested revised fuel rates and experience modification factor or “EMF” as filed in its October 28, 2021 update. Carolina Utility Customers Association, Inc., Carolina Industrial Group for Fair Utility Rates I, and Nucor Steel-Hertford, whose petitions to intervene in this proceeding the Commission granted by orders issued August 27, 2021, September 3, 2021, and September 10, 2021, respectively, did not file any testimony.

In light of the Public Staff’s testimony and recommendations, and the fact that the other intervenors did not file testimony, the Company is not filing rebuttal testimony in this proceeding.

Please do not hesitate to contact me should you have any questions. Thank you for your assistance with this matter.
