**Duke Energy Carolinas, LLC's Application for Approval to Construct a 402 MW Natural Gas-Fired Combustion Turbine Electric Generating Facility in Lincoln County
Docket No. E-7, Sub 1134**

Dear Ms. Dunston:

Enclosed for filing with the North Carolina Utilities Commission is Duke Energy Carolinas, LLC's (the "Company") Supplemental Proposed Order (in clean and redline format) and Supplemental Post-Hearing Brief.

The Supplemental Proposed Order builds off the Consolidated Proposed Order filed by the Company on October 11, 2023. Specifically, the Supplemental Proposed Order is an updated version of the Consolidated Proposed Order incorporating changes based on the Supplemental Revenue Requirement Stipulation and the additional testimony in the proceeding addressing revenue apportionment. For ease of review, the Company's Supplemental Proposed Order is provided in both clean and redline format, with the redline showing the incremental changes made to the Company's previously filed Consolidated Proposed Order based on the two issues referenced above.

Thank you for your assistance in this matter. If you have any questions, please do not hesitate to contact me.
