Re: Docket No. W-218, Sub 497

Dear Ms. Jarvis:

Attached for filing are the Public Staff's Appendices to the Proposed Order previously filed by the Public Staff and the Certificate of Service. Due to the press of other business, the Public Staff was not able to file these documents sooner.

By copy of this letter, I am forwarding a copy to all parties of record by electronic delivery.

Sincerely,

/s/ William E. Grantmyre
Staff Attorney

Sewer \$3.75 per month

Governors Village Subdivision, Governors Forest Subdivision, Governors Village Townhomes:

Sewer only \$150.00 per year per residential lot

Governors Club:

Sewer only \$20.00 per month

Notes:

- ^{1/} The Utility, at its expense, may install a meter and charge the metered rate.
- ^{2/} In most areas, connection charges do not apply pursuant to contract and only the \$70.00 meter installation fee will be charged to the first person requesting service (generally the builder). Where Aqua must make a tap to an existing main, the charge will be \$800.00, and where main extension is required, the charge will be 120% of the actual cost.
- ^{3/} Individual connections outside franchised service areas may be made pursuant to this tariff in the following circumstances: (1) upon request of a bona fide customer as that term is defined in Commission Rule R7-16(a)(1); (2) the customer shall be located either within 100 ft. of a Franchised Service Area or located within 100 ft. of an existing Aqua main; and (3) the request may come from no more than two customers located in the same area (requests for more than two connections require an application for a new franchise or a request for approval of a contiguous extension). To connect such a customer, Aqua shall file a notice with the Commission in Docket No. W-218, Sub 177, at least 30 days before it intends to make the tap. This notice shall include an explanation of the circumstances requiring the tap and an 8.5" x 11" map showing the location of the tap in relation to Aqua's existing main. If the Public Staff does not object to the tap within the 30-day period, or upon written notice within that period from the Public Staff that it will not object, Aqua may proceed with the connection.
- ^{4/} Actual cost for such a connection shall include installation of a 6" or smaller main extension (if necessary), tap of the main, service line, road bore (if necessary), meter box, meter, backflow preventer (if necessary), and Aqua's direct labor costs. Aqua shall give a written cost quote to the customer(s) applying for connection before actually beginning the installation work.

5/ When service is disconnected and reconnected by the same unit owner within a period of less than nine months, the entire flat rate and/or base charge rate will be due and payable before the service will be reconnected.

If sewer disconnection is required, after all reasonable efforts by the Utility to encourage the customer to comply with the provisions of the tariff have been made, the Utility may install a valve or other device appropriate to cut off or block the customer sewer line.

Prior to disconnection, the Utility shall give the customer written notice at least seven days prior to disconnection. Said notice shall include, at the minimum, a copy of this reconnect provision and the estimated cost to make the cut off and install the valve or other device.

In the event that an emergency or dangerous condition is found or fraudulent use is detected, sewer service may be cut off without notice. In such an event, notice as described above, will be given as soon as possible.

Upon payment of outstanding balance, actual cost of termination and reconnection and other fees (for example, deposit if required by the Utility), the Utility shall restore the service no later than the next business day.

6/ Aqua is authorized to include on its monthly water bill the charges resulting from sewer service provided by the Town of Cary, the Town of Fuquay-Varina, Wake County, and various Commission appointed emergency operators where specifically approved by the Commission. Aqua will bill the Town of Cary, the Town of Fuquay-Varina, Wake County, or emergency operator \$2.00 per month per bill for providing this service.
