North Carolina)

BY THE CHAIR: On March 1, 2024, the Commission issued an Order Scheduling Hearings, Establishing Procedural and Filing Requirements, and Requiring Customer Notice in the above-captioned docket (Order Scheduling Hearings). It has come to the Commission's attention that an ordering paragraph requiring Water Resources, Inc. (WRI) to prefile all testimony on which it will rely on at the expert witness hearing on or before Thursday, March 14, 2024, was inadvertently omitted from the Order.

The Chair finds good cause to issue this Errata Order to correct this omission.

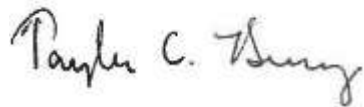

IT IS, THEREFORE ORDERED as follows:

1. That WRI is required to prefile all testimony on which it will rely at the expert witness hearing on or before Thursday, March 14, 2024, which is at least 60 days prior to the expert witness hearing; and
2. That except as amended herein, the Order of March 1, 2024, shall remain in full force and effect.

ISSUED BY ORDER OF THE COMMISSION.

This the 6th day of March, 2024.
