DOCKET NO. E-22, SUB 551  
DOCKET NO. G-5, SUB 585

BEFORE THE NORTH CAROLINA UTILITIES COMMISSION

In the Matter of:	)	
	)	
Joint Application of Dominion Energy,	)	PETITION TO INTERVENE OF
Inc., and SCANA Corporation to Engage	)	TRANSCONTINENTAL GAS
in a Business Combination Transaction	)	PIPE LINE COMPANY, LLC

Transcontinental Gas Pipe Line Company, LLC (“Transco”), through counsel and pursuant to N.C. Gen. Stat. § 62-72 and Rule R1-19 of the Rules and Regulations of the North Carolina Utilities Commission (“Commission”), respectfully requests the Commission allow Transco to intervene and participate fully as a party in the above-referenced proceeding. In support hereof, Transco shows the Commission the following:

1. The name and addresses of counsel and petitioner to which any notices or other communications with respect to this Petition should be sent are as follows:

2. Transco is a limited liability company formed and existing under the laws of the State of Delaware. Transco’s principal place of business is 2800 Post Oak

Boulevard, Houston, Texas 77056. Transco is engaged in the transportation of natural gas in interstate commerce by means of its natural gas transmission system extending from Texas, Louisiana and the offshore Gulf of Mexico area, through Mississippi, Alabama, Georgia, South Carolina, North Carolina, Virginia, Maryland, Pennsylvania and New Jersey, to its termini in the New York City metropolitan area.

3. On January 24, 2018, Dominion Energy, Inc. (“Dominion”) and SCANA Corporation (“SCANA”) jointly filed an application for authorization to engage in a business combination transaction whereby SCANA, the parent company of Public Service Company of North Carolina, Inc. (“PSNC Energy”) will become a wholly-owned subsidiary of Dominion.

4. As a provider of natural gas transportation and storage services to PSNC Energy and SCANA in North Carolina, Transco’s rights and interests may be directly affected by the outcome of this proceeding. Additionally, Dominion is an owner and the operator of the Atlantic Coast Pipeline, which is in the process of being constructed from West Virginia to North Carolina. As an owner of the pipeline, Dominion will have affiliates, such as PSNC Energy, purchasing gas transportation and storage services in North Carolina. These affiliated transactions could create an unlevelled market for natural gas transportation and storage services in North Carolina, and thus, pose significant risks to Transco’s operations and to customers in North Carolina. Therefore, Transco has a valid and substantial interest in this proceeding, which interest cannot be adequately represented by any other party to this proceeding. Accordingly, Transco requests that it be permitted to intervene and participate fully as a party hereto.

5. Pursuant to Rule R1-39, Transco consents to service by electronic mail.

WHEREFORE, based on the foregoing, Transco respectfully requests that the Commission issue an order allowing it to intervene and fully participate in the above-captioned proceeding.

Respectfully submitted, this 31<sup>st</sup> day of August, 2018.

Respectfully submitted,
