Plans)	

BY THE CHAIR: On August 29, 2019, Dominion Energy North Carolina (DENC) filed its 2019 Integrated Resource Plan and REPS Compliance Plan (IRP) update in the above-captioned docket. On September 3, 2019, Duke Energy Carolinas, LLC, and Duke Energy Progress, LLC (collectively, Duke) filed their 2019 IRP updates.

Pursuant to Commission Rule R8-60(l), within 60 days after the filing of the IRP updates the Public Staff is required to file: (1) a report assessing whether DENC's and Duke's (collectively, electric utilities') IRP updates meet the requirements of Rule R8-60, and (2) comments on the electric utilities' REPS compliance plans.

On October 25, 2019, the Public Staff filed a motion requesting that the Commission: (1) authorize the Public Staff to make one filing that combines a report on the electric utilities' 2019 IRP updates and comments on the electric utilities' REPS compliance plans, and (2) designate Thursday, October 31, 2019, as the deadline for filing the combined report and comments.

Based on the Public Staff's motion and the record, the Chair finds good cause to authorize the Public Staff to make one filing, on or before Thursday, October 31, 2019, that combines a report on the electric utilities' 2019 IRP updates and comments on the electric utilities' REPS compliance plans.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 28th day of October, 2019.
