*Re: Joint Motion of Duke Energy Carolinas, LLC, Duke Energy Progress, LLC, and Public Staff—North Carolina Utilities Commission for Extension of Time to File Materials for Technical Conference
Docket Nos. E-100, Sub 165*

Dear Ms. Dunston:

Enclosed for filing in the above-referenced proceeding is the *Joint Motion of Duke Energy Carolinas, LLC, Duke Energy Progress, LLC, and Public Staff—North Carolina Utilities Commission for Extension of Time to File Materials for Technical Conference.*

Please feel free to contact me should you have any questions. Thank you for your assistance with this matter.

Very truly yours,

/s/Jack E. Jirak

Enclosure

source” procurement processes; and (3) grid impacts of different portfolios. The Order further instructed that the Companies and intervenors will be allowed up to one hour to present on each topic, while the Public Staff and Attorney General will each be allowed a half hour to present on each topic.

2. On September 16, 2021, the Commission entered a second Order advising that the Technical Conference shall be conducted remotely via Webex and instructing parties to file in this docket all presentation materials which will be used by presenters at the Technical Conference on or before September 23, 2021.

3. The Companies and the Public Staff have each been working diligently to prepare fulsome presentations addressing each of the three topics the Commission identified for discussion at the Technical Conference. The Joint Movants have each been working with the understanding, based on the Commission’s August 24, 2021 Order, that presentation materials should be ready to share with the Commission by the beginning of the Technical Conference on September 30.

4. In light of the Commission’s September 16, 2021 Order, the Joint Movants are working to expedite preparation of their presentations so that these materials can be filed with the Commission for its review in advance of the Technical Conference. Nevertheless, due to the schedules of subject matter experts involved in developing the presentation and to ensure their written materials reflect a thorough discussion of the three Commission-identified topics, the Joint Movants each require additional time to finalize their presentations in advance of the Technical Conference.

5. The undersigned counsel has contacted counsel for all parties of record regarding this motion via electronic mail. Counsel for the Carolina Industrial Group for

Fair Utility Rates, ElectriCities of North Carolina, Inc., Southern Alliance for Clean Energy, Inc., Natural Resources Defense Council, Sierra Club, Carolinas Clean Energy Business Association, North Carolina Sustainable Energy Association, Carolina Utility Customers Association, Inc., NC WARN, and the Attorney General’s Office confirmed they have no objection to the Companies’ motion, and no counsel for any party has raised an objection.

WHEREFORE, Duke Energy Carolinas, LLC, Duke Energy Progress, LLC, and the Public Staff respectfully request that the Commission grant their joint motion for a two (2) business day extension of time, through and including September 27, 2021, for all parties to file their presentation materials to be used at the September 30 and October 1, 2021 Technical Conference, and grant such further relief as the Commission deems just and proper.

This the 17th day of September, 2021.
