BY THE PRESIDING COMMISSIONER: On November 19, 2020, Duke Energy Progress, LLC (DEP), filed with the Commission a Motion Requesting that the Commission Take Judicial Notice of Certain Evidence Introduced in the Duke Energy Carolinas, LLC (DEC) Specific Hearing.

In summary, DEP requested that the Commission take judicial notice of certain evidence presented by witnesses David Doss and John Spanos (testifying as a panel), Sean Riley, and Steven Fetter. DEP included a chart listing and identifying the specific evidence covered by its motion and the corresponding transcript volumes and page numbers for the evidence. DEP argued that the evidence was generally applicable to both the DEP and DEC Dockets. DEP further represented that it had consulted with the other parties and that no party objected to the relief requested by the motion.

Based on these representations and the records in these dockets, the Presiding Commissioner finds good cause to allow the motion. The Commission takes judicial

notice of certain evidence introduced in the DEC specific hearing, as listed and identified in DEP's motion.

IT IS, THEREFORE, SO ORDERED.

ISSUED BY ORDER OF THE COMMISSION.

This the 1st day of December, 2020.
